

Utilities Temporary Traffic Management Worker Accreditation

Course Outline:

The Utilities Temporary Traffic Management (TTM) Worker Accreditation course is designed for all workers employed directly or indirectly by a utility organisation that provides basic public needs such as water, gas, electricity or communications, and companies who solely work to provide services to a provider of electricity, gas, water or communications.

The content of this course is designed to meet the needs of essential infield utilities workers for the application of restricted TTM practices.

More information can be obtained from the Department of Transport website, [here](#)

Entry requirement:

- Proof of employment, either directly or contracted, by a utility provider, such as water, electricity, hydro-electrics or telecommunications.
- Hold a Construction Industry White Card

Duration:

- 1 day of training consisting of theory based assessments and activities
- 9.00am – 4.00pm

On completion of the course:

- On successful completion of the course, participants receive a Certificate of Completion

Cost:

Hobart: \$350.00 per person; Launceston and Ulverstone \$385.00 per person

Locations:

- Hobart, Burnie, Ulverstone, Launceston
- other locations on request
- on site at your business for groups of 8+

Registered Training Organisation: 2543
