

CPCWHS1001 Prepare to Work Safely in the Construction Industry – White Card

Course Outline:

This course covers the mandatory work health and safety (WHS) training required prior to undertaking construction work or entering a construction work site. It includes:

- personal awareness and knowledge of WHS legislative requirements
- working safely to prevent injury or harm to self and others
- identifying and orally reporting common construction hazards
- understanding basic risk control measures
- identifying procedures for responding to potential incidents and emergencies
- selecting and fitting common personal protective equipment (PPE) used for construction work.

This course meets the general construction induction training requirements of the WHS Regulations.

Location:

- Hobart, Burnie, Ulverstone, Launceston
- other locations on request
- on site at your business for groups of 8+

Duration:

9.00 am – 3.00 pm

Cost:

\$150 per participant or enquire about our daily rate.

Registered Training Organisation: 2543
